

The Sydney Flash

$\text{♩} = 66$

Chords for the first staff: Gm, B^b, Gm, E^b, F

Chords for the second staff: Gm, B^b, Gm, E^b, F, B^b

Chords for the third staff: B^b, E^b, B^b, F, B^b

Chords for the fourth staff: B^b, E^b, B^b

Notes:

A standard hornpipe tempo is recommended for this tune, about $\text{♩} = 66$.

The original has crotchet rests written in at the upbeat to the first, third and fifth bars of B. If playing at high speed one might find these to be necessary, but at a more conventional pace the notes I have included become necessary for the tune to flow.

The tune can be transposed into a different key upon request.
